Length:	22 m	Number of Engines:	2
Price:	EUR 1,390,000	Fuel Type:	Diesel
Year:	2010	Beam:	5.61 m
Condition:	Used		

Description

This SANLORENZO 72 is without doubt the finest and one of the most recent examples of the Sanlorenzo SL72 Flybridge model on the market. She has had very little use and has been professionally maintained by her permanent crew and an attentive owner.

This SANLORENZO 72 comfortably sleeps 7 guests in 4 well-appointed cabins, one of which can be converted into an office opening onto the hallway.

The fine example boasts almost full options with a customised contemporary light-coloured wood interior with several material upgrades. The yacht's interior and flybridge deck have been refitted in 2021 with enhanced Italian contemporary design and new pictures are available on request.

Powered by twin 1500 Hp MTU Diesel engines, this SANLORENZO 72 motor yacht comfortably cruises at 24 knots and reaches 28 knots at top speed.

Viewings are highly encouraged in Tuscany as the yacht is very competitively priced and presents in immaculate condition – Turnkey for her next Owner.

Please click on the « Full Specs » tab for complete details of this Flybridge Yacht for Sale.
