Description

At the head of its category, the ASTONDOA 76 GLX enters a new era with a futuristic concept in flybridge motor-yachts, incorporating the latest technological advances.

This fine example of the ASTONDOA 76 GLX flybridge motor-yacht for sale is in sumptuous condition both technically and aesthetically. She has been maintained to the highest standard by a full-time captain and crew.

This is a very unique opportunity to purchase an ASTONDOA 76 GLX, full options, VAT paid and Spanish Matriculation tax paid, at a highly competitive value.

The ASTONDOA 76 GLX is a truly remarkable yacht, which exceeds performance, volumes, and finishing standards of other brands in her size range. She features a modern, 4-cabin (all with en-suite facilities) spacious layout with attention to detail and was built for her Owner who clearly worked closely with the yard to produce a vessel that offers so much. Further accommodation is provided for 4 crew.

Top performance on the ASTONDOA 76 GLX is insured from the latest MAN Common Rail twin diesels, of 1550 Hp each, providing a cruising speed of 25 knots and an exhilarating maximum speed of 33 knots, always at a reasonable consumption with remarkable range.

Viewings in Spain are highly recommended, prior appointment, please.
