Description

The 23.7m BANDIDO 75 explorer type motor yacht is an innovative model combining the functional features of an expedition type vessel with all the amenities of a luxury yacht.

Her main features include 4 cabins, an open wide flybridge, and a comfortable saloon providing ample space to Owners and guests to enjoy long-range ocean voyages.

The BANDIDO 75 will take you safely to wherever you wish to go while enjoying comfort only felt at home. Her design and engineering by Drettmann, has earned universal acclaim for uncompromising quality, contemporary styling and luxurious appointments. She features luxury yachts to the highest technological standards for safety, sea keeping and durability.

This highly capable BANDIDO 75 explorer for sale, was launched in December 2008 for a delivery to her first owner in 2009 and was constructed for long range economical cruising with maximum comfort for her passengers.

Refitted in 2017 by her second/current owner, this VAT paid, highly spec'd, impressive motor yacht, powered by twin MAN diesel 560 Hp engines is able to reach a top speed of 12 knots, comfortably cruises at 10 knots and capable of reaching a transatlantic range of 3500 nautical miles at 8 knots.

This trawler style yacht accommodates up to 8 guests in 4 well-appointed cabins with the support of 2 crew onboard to ensure a relaxed luxury yacht experience.

In terms of equipment, condition, use and build quality this boat puts the competition to shame as she represents a true pocket superyacht.
