Description

Built to RINA Pleasure Yacht Class in GRP on a planing hull in 2005 by the high-end Italian yard, this RIVA 85 OPERA is a luxurious flybridge motor yacht representing a true statement of the style and quality that Riva produce.

This beautiful RIVA 85 OPERA for sale offers luxurious accommodation and amenities. She is fast, in fair condition and ready for her next Owner. Viewings can easily be arranged in Spain, at the shipyard where she is stored.

Powerful and slick, this yacht offers ample space throughout its various levels: a huge saloon with large windows, her enclosed galley located on the main deck and 4 cabins for 8 guests located on the lower deck; a full beam Master suite, a VIP cabin fore and 2 twin cabins each equipped with en-suite bathrooms. The Master benefits from large-hull windows which flood the cabin with natural light, making it an oasis to relax and sleep. Her flybridge offers a perfect area for bathing in the sun or hosting guests.

This RIVA 85 OPERA is powered by twin 2000 Hp MTU Diesel engines, offering a comfortable cruising speed of 25 knots and a top speed of 31 knots.

This RIVA 85 OPERA luxurious motor yacht can be used for private cruising or charter as well. She is definitely the perfect yacht for a family, offering comfort and privacy.

This fine example was slightly chartered and now only used as a private boat and never chartered. A slight cosmetic refit may be required, other than the hull that was repainted in March 2022 and all soft goods renewed. Comprehensive MTU and KOHLER services were also carried out recently.

Please click on the « Other Details » tab for complete details of this Yacht for Sale.
