Description

98' 3" DREAMLINE 30 meter motor yacht for sale.

This 98' 3" DREAMLINE 30 meter motor yacht for sale is a luxurious DL30 yacht originally built in Italy in 2019 by DL Yachts Dreamline. She boasts a perfect blend of elegance and sailing performance. Featuring 5 comfortable en-suite cabins for 10 guests, with the Master cabin conveniently located on the main deck and presented in an "as new" condition.

The DREAMLINE 30M yacht is built on an Arrabito Studio naval architecture, with a design by Enrico Gobbi of Team4 Design. Although she's privately Owned and EU VAT paid, she was originally built in 2019 in accordance with the "RINA Rules for the Classification of Yachts Designed for Commercial Use" under the provisions of the Malta Yacht Commercial Code.

This luxurious DL30 motor yacht benefitted from a comprehensive refit in 2023, restoring her to pristine condition. This magnificent yacht seamlessly blends elegance and high performance, setting a new standard for luxurious yachting.

This DREAMLINE DL30 features special "lama chine waveless hull" designed by Giuseppe Arrabito at Arrabito Naval Architects. Its groundbreaking shape tremendously reduces fuel consumption. The noise and vibration level is barely perceived of both the engines and generators, making navigation aboard very pleasant and extremely silent.

Thanks to her semi-displacement hull design, and powered by twin 2600 Hp MTU diesel engines, the yacht offers a long range of 1400 nautical miles at her economical speed of 11 knots, with a comfortable cruising speed of 17 knots and an exhilarating maximum speed of 28 knots. The inclusion of fin zero speed stabilizers, ensures exceptional stability both underway and at anchor.

Designed with a focus on high guest comfort during cruising, this DREAMLINE 30 offers ample deck space with 3 dining area options and a vast sundeck with a wet bar and hard top. A smart garage tender launching system with hydraulic swim platform, simplify her daily operation.

Timeless and stylish interior and exterior design applied to spacious areas is introduced by renowned naval architect Enrico Gobbi at Team4 Design. He perfectly combines original shapes with convenient functionality, providing the 30m DREAMLINE yacht, with the maximum level of greater reliability, higher performance and unprecedented standards of comfort.

Distinctive feature of DREAMLINE 30M is her impressive Owner's cabin on the main deck forward, offering a magnificent 180° panoramic sea view. A door to the starboard allows access to the private foredeck. Designed with guest comfort in mind, the remaining 4 cabins (2 VIP doubles and 2 twins) are situated on the lower deck. Crew accommodations include a dining area with a small pantry and three cabins, a single cabin for the Captain with an en-suite bathroom and two additional twin cabins sharing a second bathroom.

Owner is open to discuss all serious offers and we highly suggest a visit onboard.

KEY FEATURES

- Impeccable “As New” condition
- 5 en-suite cabins for 10 guests
- Owner’s suite on main deck with a direct access to the bow seating area
- Smooth and seamless cruising performance
- Low noise at cruising speeds
- Low running hours
- Speeds up to 28 knots with a 1400 nautical miles range at eco speed of 11 knots
- At anchor and underway electric fin stabilizers
- Besenzoni retractable hydraulic bathing stair with deck lift function up to 200 kg
- Grey metallic colour
- VAT paid
- Commercial yacht compliance
- Can be registered under 24m
- Keen Seller

10 Guests in 5 en-suite staterooms

Guest Cabin Configuration:

- Owner's suite forward on the main deck with a walk-in closet, large panoramic double bed facing forward, Hers beauty desk with leather puff and further storage lockers under the bed. Its entertainment system include a SONOS Dolby digital system and a rising 50" SAMSUNG TV. There is an electric side glass door giving a direct access opening to the deck and the bow seating/lounging that can be used as the Owner's private relax area, en-suite bathroom
- 2 x Double bedded VIP cabins on lower deck with closets and en-suite bathrooms
- 2 x Twin guest cabins on lower deck with closets and en-suite bathrooms and two twins

Crew Accommodation:

- Crew area forward on lower deck with seating area and a small pantry
- 3 x Crew cabins for 5 crew
- 1 x Captain's cabin
- 2 x Bunk-bedded cabins
- 2 x Bathrooms with WC and shower compartments

LAYOUT

Overview:

- The hull is built in Glass Reinforced Plastic (GRP). The hull is provided with an efficient system of longitudinal framing on the bottom and on the sides in conjunction with girders, bulkheads and web frames to provide transverse rigidity. The hull is divided in watertight compartments by means of watertight bulkheads in GRP positioned according to the General Arrangement

Main Deck:

- On the main deck aft there is an outdoor dining table and a raised sofa sunpad
- The main deck aft is separated from the saloon with a sliding door with tempered safety glass and stainless steel frame
- Sofas and lounge chairs in port side
- On starboard side there is a panoramic window and a movable TV mount for the SAMSUNG 55" Smart TV
- Ceiling illumination is with LED lights
- The large dining table for 10 guests is located further forward in the saloon
- The corridor on the port side leads to the galley and access to the crew area (with own side exit to deck)
- On the starboard side, there is the day head and another side exit to deck
- The forward deck area has seating, convertible to sunloungers and a folding teak table. This area can be used as the Owner's private relax area

Bridge Deck:

- The main wheelhouse is located on the raised pilothouse with all navigation and monitoring instrumentation
- Has direct access to the sundeck

Sundeck:

- The available space provides a comfortable environment, as well as a rational and complete control station, a large sofa with integrated furniture, a dining table with chairs, a bar, an internal barbeque zone and large sun

pads

- The access is made by an external staircase and by an internal one, which goes down next to the pilothouse below
- The entire sundeck is teak covered and self-draining
- A large hard top in fiberglass / carbon mix provides for an extended shaded area

TANKAGE

Fuel Capacity: 14,400 l (3,804 US Gallons)

Fresh Water Capacity: 2,000 l (528.3 US Gallons)

Water Makers: 240 l/h (63.4 US Gallons/h)

Grey Water: 1,100 l (290.6 US Gallons)

Black Water: 1,200 l (317 US Gallons)

AUXILIARY MACHINERY

Bow & Stern Thrusters: Twin disc hydraulic each 60 Hp

Stabilizers: HUMPHREE zero speed stabilizers system electric with side fins

Firefighting:

- 1 x Electric-pump with by-pass for fire bilge service GIANNESCHI
- 2 x Fire hydrants UNI45 on main deck
- Fixed extinguisher system in engine room Co2
- Manual activation from cockpit
- External manual emergency closing of fuel lines to the engines and generators and manual closing of the ventilation shutters and fans
- Fire and smoke warning system

Bilges:

- Bilge suction for each of the water-tight compartments
- 1 x Electric-pump with by-pass for firefighting service GIANNESCHI
- The two pumps are also used for the anchor chain washing
- Electrical bilge level sensors
- Manual bilge pumps
- Bilge level alarms
- Engine cooling sea water suction with three way split for bilge
- Bilge alarm panel

Fresh Water System:

- Structural GRP tank cap. 2,000 l connected with IDROMAR watermaker 250 l/h (full automatic)
- Group of two independent pressure pumps from GIANNESCHI
- Two hydrophores with two electronic pressure controls (one unit only for owner compartment, 2nd unit for remaining freshwater system with interconnection)
- Shore water connection for fresh water and pressure reducer
- 2 x Filters for shore connection

Fresh Water Makers: IDROMAR 250 l/h

Hot Water Boilers: 2 x Boilers located on the lower deck under the guest area staircase

Black & Grey Water System:

- 2 x Electric-pumps black/grey waters
- Electric-pump for every toilet contained in the WC unit
- Black water tank GRP cap. 1,200 l

- Grey water tank GRP cap. 1,100 l
- Possibility of discharging black and grey waters overboard using by-pass controls

WC's (toilets): TECMA

Air Conditioning: FRIGOMAR CU70 inverter

Air Compressors: Three (3) total 210,000 BTU

Provision Refrigeration: 2 Provision Fridges +1 Deep Freezer

Ventilation System:

- Forced air intake to the engine room from the internal and external walkways
- Engine room ventilation made by two large fans drawing in fresh air from the walkways, discharge of natural hot air onto the walkways
- Extraction systems in all bathrooms with centrifugal ventilation
- Extraction system in galley with centrifugal ventilation

GENERATORS & ELECTRICITY

Generators: 2 x KOHLER 35 kW & 28 kW

Generator Hours: Port (35kW) 380 h / Starboard (28kW) 376 h (October 2024)

Generator Start: Wheelhouse / Local

Shore Power: 65A / 380V 3-Phase

Electrical Circuits:

- 380V for systems
- 220V for sockets & appliances
- 24V for light and emergency systems

NAVIGATION & COMMUNICATION EQUIPMENT

MTU electronic engine displays

MTU electronic engine controls

1 x Hydraulic adjustable Pilot seat in Pilothouse

Digital board computer touch screen Pilothouse / Fly (also for engine control)

Multifunctional Monitors:

- 4 x RAYMARINE Axiom 16" (for Radar / GPS Plotter /Depthfinder / Video), 2 in Pilothouse and 2 in Fly
- 4 x RAYMARINE i70 (Log/echosounder/electr. compass/wind indicator) in Pilothouse
- 2 x RAYMARINE i70 (Log/echosounder/electr. compass/wind indicator) in Fly

2 x Joysticks in Pilothouse and Fly

X-Band Radar: RAYMARINE

Magnetic compass

Autopilot: SIMRAD Pilothouse and Fly

Rudder angle indicator system

AIS: EM-TRAK A200

Navtex: JRC NCR-333

Night Vision Camera: SIONYX Nightwave

VHF Radiotelephones: 2 x RAYMARINE Pilothouse and Fly

Portable GMDSS VHF: ICOM with recharge in Cockpit

EPIRB: OCEAN SIGNAL

Radar Transponders: McMURDO SART

Interphone

Cabin phone

Horn

Searchlights

AUDIO/VISUAL ENTERTAINMENT AND IT EQUIPMENT

All equipment renewed in 2023

Main Saloon: Smart SAMSUNG QLED TV 55", SONOS Beam soundbar Dolby digital

Master Stateroom: SAMSUNG QLED TV 50", SONOS Dolby digital lifestyle and SONOS Beam soundbar

VIP Staterooms: SAMSUNG QLED TV 50"

Guest Staterooms: SAMSUNG QLED TV 50"

4 x BOSE 235 Entertainment Hi-Fi system / SAMSUNG CD/DVD including central BOSE remote control for VIP and Guest cabins

Aft Cockpit: Stereo and speakers waterproofed

Flybridge: Stereo and speakers waterproofed

Bow Deck: Stereo and speakers waterproofed

TV-SAT antenna KVA M9 automatic digital

Blind Dome KVA M9 for symmetry

GALLEY & LAUNDRY EQUIPMENT

Main Galley:

- KUPPERSBUSH extraction hood
- NEFF oven 90cm
- NEFF ceramic stove with 4 hobs
- SIEMENS two zones fridge / freezer
- BOSCH Silence Plus dishwasher
- NESPRESSO coffee machine
- CONCEPTUM electric water kettle
- BOSCH portable vacuum cleaner

Crew Mess:

- SAMSUNG microwave oven
- KENWOOD toaster KENWOOD
- DELONGHI coffee machine

Sundeck:

- BBQ grill
- Small fridge

Wine Storage:

- Wine cellar in galley corridor

Laundry:

- WHIRLPOOL 6th Sense washer and dryer (9 / 11 kg - two separate units)

DECK EQUIPMENT

2 x Anchor windlasses

Anchor washing system

Anchors: Two (2) stainless-steel 107 kg each

Anchor Chains: 2 x 120m 14mm

Passerelle: BESENZONI hydraulic

2 x Mooring winches in cockpit

Side boarding ladder

Electrohydraulic tender and Jet-ski garage with hydraulic lifting crane, control on deck and hydraulic tender lifting system custom made

Custom fold down sofa on garage door

DREAMLINE hydraulic swim platform covered with teak deck lifting capacity 800 kg

BESENZONI hydraulic bathing ladder with deck lift function - max. 200 kg (beam 700)

Underwater Lights: 5 on each side plus 4 at the stern

Helm/Wing Station Controls: Flybridge and aft cockpit

Fixed installed cockpit table with 5 WICKER chairs

SECURITY, FIRE FIGHTING & SAFETY EQUIPMENT

Cameras: Four (4) - 3 for stern views and 1 for the engine room

Monitors: One (1) in the wheelhouse

Ship's Safe: Owner's stateroom

Fixed Firefighting System: Fixed Co2

Firefighting Equipment: Fire pumps and water hoses + Portable fire extinguishers

Smoke detection

Fire alarm

Liferafts: 2 x 10-person each

Lifejackets: 17 x Inflatable, adults + kids

Life Rings: Two (2)

EPIRB

Flares: As per Greek flag regulations

Medical Equipment: As per Greek flag regulations

TENDERS & TOYS

4.00 m (13' 1") Tender with YAMAHA 60 Hp outboard (2023)

SEA-DOO Spark jet-ski

1 x SEABOB F5

Snorkelling equipment

Yacht Brochure

Available on request.
