Description

This 121' 5" COUACH 3700 FLY is a 37m Superyacht for sale, built in France by Couach Yachts and delivered in 2020. She is one of seven Couach 3700 Fly models and she was built on a GRP + Kevlar composite planing hull and superstructure. Onboard, splendid volumes are proposed thanks to her splendid volume of 197 gross tons for Owner and Guests to enjoy.

She was designed by Couach Yachts, who also completed the naval architecture and designed the interior as a "haute couture" vessel boasting an array of sumptuous living areas laid out invitingly to create a warm and welcoming atmosphere onboard and converting this flybridge yacht into the perfect luxury yacht for friends and family.

The yacht is also coded for charter under Bureau Veritas classification. With all features of modern superyachts, this COUACH 3700 FLY carries several upgrades and updates such as zero speed stabilizers, beach club, hard top, a flybridge wetbar and a jacuzzi.

This COUACH 3700 FLY is the perfect yacht for friends and family. She offers guest accommodation for up to 10 guests in 5 en-suite staterooms comprising a Master suite on the main deck, two double cabins and two twin cabins. You'll also find entertainment, comfort and liveability seamlessly integrated in this motor yacht, such as Wi-Fi connectivity, allowing you to stay connected at all times, should you wish. She also capable of carrying 5 crew members for maximum service aboard.

Powered by twin 2735 Hp MTU diesel engines, she comfortably cruises at 24 knots, reaches a maximum speed of 28 knots with a range of up to 2,000 nautical miles at 12 knots. This fast motor yacht will take her guests to their destinations in a hurry, while also having a significantly long range at low speed to reach all Mediterranean yachting destinations.

When not cruising, this COUACH 3700 FLY also carries onboard an incredible selection of thrilling tenders, water toys and accessories for you and your guests to connect with the waters around you.

Viewings are highly recommended.
